TO VISIT HOLLAND

MR. AND MRS. HENRY WALSMA TO RETURN TO THEIR NATIVE LAND IN JULY

Henry Walsma, the baker at 114 West Broadway, has disposed of his business to a Mr. Lentz of Sunland, and will enjoy a good rest before he returns to work. He and Mrs. Walsma will spend a couple of weeks in Catalina where Mr. Walsma will probably devote most of his time to fishing. He dearly loves the sport which he practiced from boyhood in his Holland home. On their return from Catalina the Walsmas will go East by auto to Paterson, New Jersey, where they lived for five years and where they have quite a circle of friends. They expect the overland trip will consume at least six weeks as they plan to stop by the way at points of interest. As soon as possible they will go to Holland but have ascertained that no reservations can be had until July. Emigration to Holland is being discouraged by that country because of the food shortage. Would-be travelers have to overcome a great deal of red tape in order to get passports and the duration of their stay must be officially sanctioned. They are not free to enter Holland or leave it when they please. Some friends of the Walsmas who had expected to sail within the week and who had disposed of their house in anticipation of the voyage, have just been advised not to come East because they cannot be received as ship passengers on account of the harbor strike in New York.

Holland offers strong attractions to the Walsmas for there live Mrs. Walsma's parents and her four sisters, while Mr. Walsma has his mother, five brothers and one sister to visit there. They have all prospered during the war and are contented with Dutch life. Mrs. Walsma says there is little prospect that any of these relatives will be tempted to come to America to live. She and her husband expect to return to Glendale, however, because they have become very fond of our little city and are property owners here, Mr. Walsma having purchased a lot on Broadway opposite his bakery, and also property on North Central avenue.

O. E. S. PARTY

GLEN EYRIE CHAPTER ENJOYS SOCIAL EVENING IN PRETTY FLORAL SETTING

A very pretty dancing party was enjoyed Saturday night by members of Glen Eyrie Chapter of the Eastern Star and their friends who assembled to the number of 100 to 125 at the Masonic Temple for the festivity. Mrs. William Rattray, chairman of the committee of arrangements, ably assisted by Miss May Cornwell and Mrs. Mayme Pollock, provided a charming floral setting for the affair in which purple wistaria was combined with asparagus plumosus with beautiful effect, orange calendulas making bright spots of color in the window boxes Punch and wafers were served by way of refreshments, and a fine orchestra from Los Angeles provided excellent music.

There were just enough present to use the floor to good advantage and all who participated in the pleasures of the evening pronounced it one of the pleasantest parties that has taken place in Glendale in a long time.

SUDDEN DEATH

MRS. ROBERT T. LAWSON EXPIRES WHILE AWAITING ARRIVAL OF SUNDAY GUESTS'

The sudden death of Mrs. Mattie Lawson, wife of Robert T. Lawson, about 1:15 Sunday afternoon at her home, 1225 South Maryland avenue, was a great shock to neighbors and friends as well as the members of her own family. She had been preparing a birthday celebration for one of a group of relatives who were to arrive from Los Angeles at three o'clock. The birthday cake had been adorned with candles and otherwise decorated and the feast was ready. Mrs. Lawson sat down to rest after completing her preparations and suddenly expired. Her husband who is head registry clerk in the Los Angeles postoffice and who works at night, was asleep. He was called immediately but life was extinct when he reached his wife. Besides her bereaved husband Mrs. Lawson leaves a son in his early teens and her mother who recently came from the East to make her home with the Lawsons. Mrs. Lawson was a native of Wisconsin and was 48 years of age. She and her husband resided in Casa Verdugo for a number of years and moved to South Maryland avenue only a few months ago. Funeral services which will be in charge of the Scovern Co., will be announced Tuesday.

UNKNOWN MAN KILLED BY S. P. TRAIN

The horribly mangled body of an unknown man, killed by a Southern Pacific passenger train Friday at about 11 a. m. is at Pulliam & Kiefer's awaiting the coroner's inquest, which will be held this afternoon at 2 o'clock. The man was walking on the track, toward Los Angeles, and about one mile east of the tower he was struck by the east-bound local passenger train. It is thought he must have been deaf as he paid no attention to the sounding of whistle and bell. His head, legs and arms were cut off and thrown to the sides of the track and the trunk was rolled along for 50 feet and every bone broken.

MR. NEWTON ILL

J. A. Newton of the Newton Electric Company, who has been ailing for several days, on Saturday was found to be suffering from smallpox. He has been quarantined at his home on Palm Drive, La Canada, where he is under the care of a good nurse and his physician reports that he is doing well.

THE BALLARD FAMILY

Some of the ladies who are endeavoring to raise sufficient money to provide for the needs of Arthur Ballard's widow and three children, and for transportation to their former home in Vermont, wish to thank Mr. Jensen, manager of the Palace Grand theater, W. E. Evans, who addressed the audience on the subject, and the people of Glendale who so generously responded to this worthy cause. There was raised at the theater Saturday evening $116; $40 was contributed at the Eastern Star dance the same night; about $220 had previously been raised by some of the automobile men and their employes and friends. Most of the latter amount was used to pay funeral expenses and other necessities. Anyone desiring to add to this fund, will please phone or see any of these ladies: Mesdames S. C. Packer, W. E. Evans, A. S. Chase, J. G. Huntley.

WAR ALONG MEXICAN BORDER

CARRANZE EXPECTED TO RESIST SECESSION OF STATE OF SONORA

(Special Service to Glendale Evening News)

DOUGLAS, Ariz., April 12.—Sonora troops are in trenches outside of Agua Prieta following the seizure of the Federal Custom Houses by the "Republic of Sonora," in Nogales, Naco and Agua Prieta, according to reports received here today.

The action of the State of Sonora in severing relations with the Carranza government because Carranza is said to have sent an armed force into Sonora, has caused wide-spread preparations for war along the border today. General Pino, commanding state troops, said today that the federal government could not bring an effective force in Sonora unless permitted to bring it through United States territory.

STEEL MILLS CLOSED

LACK OF COAL DUE TO YARDMEN'S STRIKE THROWS THE WORKMEN OUT OF EMPLOYMENT

(Special Service to Glendale Evening News)

YOUNGSTOWN, O., April 12.—Twenty thousand steel workers are out of work here today because of the inability of several of the steel mills to resume operations for lack of fuel. The yardmen's strike was still effective today and the movement of freight was reported as completely paralyzed. If the strike continues for any length of time the steel mills of the whole Mahoney Valley District will be tied up, reports indicated.

ARMY REORGANIZATION BILL

ANTI-PREPAREDNESS SENATORS WOULD ELIMINATE ALL PROVISIONS FOR MILITARY TRAINING

(Special Service to Glendale Evening News)

WASHINGTON, April 12.—The Senate today resumed debate on the army reorganization bill with anti-preparedness senators determined to eliminate all provisions for military training. A final vote on the bill may be taken today.

RAILROAD EMPLOYES CONVENE

RAILWAY SWITCHMEN'S STRIKE AN IMPORTANT SUBJECT OF CONSIDERATION

(Special Service to Glendale Evening News)

KANSAS CITY, Mo., April 12.—Six hundred delegates met here today in biennial convention of the railway department of the American Federation of Labor. The convention probably will last for two weeks. One of the first questions to come before the convention is expected to be the present switchmen's strike.

POSSIBLE ACTION TO END STRIKE

SENATOR CUMMINS CONFERS WITH PRESIDENT ABOUT WAGE ADJUSTMENT BOARD

(Special Service to Glendale Evening News)

WASHINGTON, April 12.—Possible government action to end the railway strike today, apparently centers about President Wilson. Secretary Tumulty saw the president today and immediately afterwards tried to get in touch by telegraph with Attorney General Palmer. Senator Cummins, chairman of the Senate Inter-State Commerce Committee, and W. N. Doak, vice president of the Brotherhood of Railway Trainmen, called at the White House. Cummins announced that he had received assurances that the wage adjustment board provided for in the Esch-Cummins law, would be appointed today or tomorrow. He then called a meeting of the Interstate Commerce Committee to consider the situation. He said he proposed to have the commitee report an amendment to the railroad law which would enable the wage adjustment board to get to work in Washington as soon as appointed.

RAILROAD STRIKE AT STANDSTILL

OFFICIALS AND WORKERS MARK TIME WHILE AWAITING TURN OF EVENTS

(Special Service to Glendale Evening News)

CHICAGO, April 12.—The great railroad strike was at the cross roads in the middle west today. There was a lull in the strike situation in the west and workers, government and railroad officials marked time waiting on events. There were no gains by the Chicago strikers. Passenger traffic was practically undisturbed throughout the middle west though railroad officials were prepared to resist any attempt to cripple it.

United States District Attorney Charles F. Clyne continued preparations to act should the strike spread further. Figures on the national situation today placed the total number of railroad employes on strike at 36,000. With the exception of the east, little change was reported in the situation. Twenty-five hundred were out in Indianapolis, 4000 at Detroit, 500 at Peoria, and 700 in Milwaukee.

BOLD ROBBERY

THIEVES ENTER JOHNSTON'S TIRE STORE SATURDAY AFTERNOON, REMOVE STOCK

One of the boldest robberies that has ever taken place in Glendale was effected Saturday afternoon when thieves effected an entrance to the Johnston Tire Store on East Broadway from the rear and removed six new Gates tires, nine inner tubes, some patching material and a typewriter. The proprietors of the store are Seventh-day Adventists and the store was closed for the day. Miss Helen Gansett in passing discovered the robbers at the cash register and gave the alarm, but the response was too late to apprehend the thieves, as they jumped into their waiting auto and escaped with the stolen goods.

DEATH OF MARTHA SINCLAIR

The many friends of Mrs. Martna Sinclair, wife of Fred Sinclair, Jr., who gave birth Friday evening to twin daughters at the Alhambra Hospital, will be grieved to learn that she passed away Sunday morning, April 11, 1920, and funeral services will be held Tuesday afternoon at 3 o'clock at the Little Church of the Flowers in Forest Lawn Memorial Park, Rev. W. E. Edmonds conducting them and Pulliam & Kiefer having charge.

Mrs. Sinclair, who was born in Spencer, Mass., came to Glendale with her parents about eight years ago and grew to womanhood here, being greatly beloved in the circle in which she moved. She was a teacher in the Broadway School and resigned her position when she married last June and went to Norwalk where her husband and father-in-law were developing ranch property. She was but twenty-two years of age and her death is a great blow to her mother, Mrs. Adeth Sinclair, as she was an only child and her father passed away about a year ago. The mother is therefore alone as far as her immediate family is concerned.

The twin babies who have been named Mary Louise and Martha Lillian Sinclair, are now at the home of their grandparents, Mr. and Mrs. Fred Sinclair, at 245 Sinclair avenue, and are being tenderly cared for. The bereaved young husband is also there.

JOHN ROBERT WHITE ON THE WAY

John Robert White, Jr.., of North Orange street, is expected home the last of next week. He went to New York on his annual spring trip as buyer for the California Furniture Company about the middle of March. His start was a little earlier than usual because he was anxious to have the pick of the first shipments of rugs from the Orient, especially the Persian rugs. They are scarce enough, he writes, but he is gratified to find that they are as well made as ever and are as beautiful as formerly. He will probably stop in San Francisco en route to Los Angeles.

ADVENTIST CHURCH

ELDER SNYDER SAYS THE CROSS IS CENTER OF ATONEMENT QUESTION

"Many serious questions confront the world today," said Elder George A. Snyder, speaking in the Seventh-day Adventist church at California and Isabel, Saturday. "The point to decide is—which one is the most important."

"Gladstone, during a crisis in English history was once asked—which is the greatest question pending between England and the world? Unhesitatingly came the reply, 'The personal relation of the individual to the atonement of Jesus Christ and the work of God.'"

Elder Snyder emphasized the point that the cross is the center of the atonement question, not figures and dates. The fact that there are figures and dates connected with the atonement both in type and antitype need not confuse the minds of any as to the cardinal truth of the sacrifice of Christ for the sins of the world.

Continuing, he said, "According to the service of the sanctuary as enjoined upon the Jewish people before the first advent of Christ, there was a great yearly convocation termed 'the day of atonement.' At this time, as stated in Leviticus 16, the high priest made atonement for all the sins of the people. This represented the final judgment of the year. However,

IN AUTO SMASH

STRUCK BY BURBANK CAR, MACHINE DRAGGED OVER 40 FEET

Saturday forenoon E. D. Yard, the well-known contractor living at 421 North Maryland avenue, was on his way up to Mrs. W. D. Cunningham's new place on Sixth street, where he is working, having with him on either side of his machine a porch column. As he neared the Pacific avenue crossing of the P. E. Burbank line a car was coming from the east, but Mr. Yard did not see it and the sound of its whistle was carried away by the strong wind blowing from the west. His machine was struck by the car before it had come upon the track, the steps catching it behind the front wheel and dragging it along for forty feet, then throwing it off. It rolled entirely over, then came to a stop. Mr. Yard clung right to the seat and the steering wheel and crawled out of the wreck at once, with glasses still on his nose and hat still on his head. He was able to walk about and seemed not much hurt. When taken home, however, he found he had been considerably bruised and at first it was feared he was injured internally, but this morning it was found that this was happily untrue. He was badly shaken up, however, and yesterday had one bad fainting spell. He expects to be up and around in two or three days.

The machine was a total wreck and all who saw it wondered how Mr. Yard escaped without many broken bones. The wheels on the right side were entirely stripped, the spokes all being torn from both rims and hubs. The two columns Mr. Yard was carrying on the machine were all splintered up and one was broken in two.

POST-EASTER PARTY

Saturday afternoon Mrs. H. V. Henry of 327 Patterson avenue entertained a few friends of her young daughter, Katherine Henry, with a little party dominated by the Easter motif. In response to request the guests came dressed as bunnies, flowers, and butterflies in daintily colored crepe paper costumes. After a happy afternoon of games, refreshments were served by the hostess at a prettily appointed table whereon the Easter suggestions were repeated. The young ladies entertained were: Misses Dorothy Clark, Martha McCourt, Virginia Farrell, Dixie Lane, Ruth Lane, Peggie Clark, Alice Brennan, Laura Cutler, Maudie Hudson, Lilian Brummel, Barbara Bell, Jeannette Spence, Edith Howe and Katherine Henry.

COLUMBUS CAFETERIA BENEFIT

The card party at the home of Mrs. John Robert White on Orange street Friday afternoon, given as a benefit for the Columbus Avenue School cafeteria, was attended by about sixty ladies and was a great success socially and financially, netting something over fifteen dollars for the cause and relieving all financial embarrassments in connection with the enterprise. While tea was being served at the close of play, Mrs. Pendleton entertained with musical numbers. Four prizes were given, that for the best score at Bridge being won by Mrs. J. I. Wernette, Mrs. W. L. Andrews securing the prize for high score in Five Hundred, the other favors going to Mrs. Fletcher and Mrs. Grigg who also played Five Hundred.

NEIGHBORHOOD PARTY

PICNIC OUTING IN ARROYO SECO CANYON ENJOYED BY SEVEN FAMILIES

A delightful picnic party in the Arroyo Seco was enjoyed by several families Sunday, five automobiles being required to convey the party to their rendezvous. Fires were made and the dinner cooked in the good old-fashioned picnic way and after it had been enjoyed and the refuse cleared away, the company amused itself with games and other out-door diversions. The group included Mr. and Mrs. Jepson and family, Mr. and Mrs. Van Wie and family, Mr. and Mrs. Horner and family, and Mrs. Horner's mother, Mrs. Aichhof, Mr. and Mrs. Merritt and their aunt, Mr. and Mrs. Wilkerson, and Mr. and Mrs. Cushman and family.

The same group met last Friday evening at the home of Mr. and Mrs. W. A. Kulp for a Community Sing, other guests on that occasion being Mr. and Mrs. Smith and Prof. and Mrs. Kuhney.

THE CITY TRUSTEES TO BE ELECTED

Today the citizens of Glendale are taking part in one of the most important duties that ever comes to the citizens of a municipality—that of electing for the ensuing four years three trustees who are to make and enforce the laws of the city, together with a treasurer who will take care of the city's money, and a city clerk who will transact its clerical business. In Friday's issue of the Evening News a short biographical sketch was given of each one of the candidates to be elected. Without question the intelligence of the voters will be exhibited at today's election, and the men who are chosen to serve the people will be representative men and may be relied upon as performing their duties to the best of their ability.

While there is a very important duty for the trustees of a city to perform, there is also an important responsibility on the shoulders of every citizen. The Board of City Trustees cannot accomplish much unless it has the co-operation of the people residing in the municipality. To have this co-operation to the fullest extent it is necessary for every citizen in the community to inform himself as to the needs of the city, and how these needs may be best supplied. There is not anyone of good business judgment who favors extravagance, but all men of good business sense favor all work being done in a substantial manner, and that all employees connected with the city be efficient in the transaction of their various duties.

As there are only two hold-over trustees, it makes it possible for those elected today to have the balance of power for the next four years. This being true the positions they hold are of vast importance as in the near future there are many important problems to be taken up for consideration by the city. It is a settled fact that the installing of a sewer system of some kind in Glendale is necessary, and as to the methods adopted and the policy pursued by the Board it will depend upon the practical knowledge the Trustees have on a subject of this character. Of course there are other important questions; one being the making of the improvements to the present water system, which improvements have already been started by the outgoing members of the Board. There is the opening and widening of various proposed streets in the city, the closing of alleys and the contemplated construction of municipal buildings, all of which will require the profound consideration of the representatives of the people.

The hold-over Trustees are men who have taken great interest in the city's welfare during the two years of their service, and that is sufficient proof that their interest will remain unabated and they will give their hearty co-operation and support to all questians for the best interests of the city.

BURNING SAWDUST ENDANGERS HOMES

A great pile of sawdust dumped along the Wash close to brush work, between Central and Columbus avenues, was set on fire by some means, Saturday and the high wind blowing threatened to communicate the flames to the brush and to nearby house. A heavy stream of water was directed against the flames until they were extinguished.

SMALL FIRE AT JORDAN NEEL'S

The fire department was called to Jordan Neel's, 114 Fairview avenue, this forenoon, and found a blaze in the tank heater cabinet, caused by the gas being turned too high. Personals

L. T. Rowley is now assistant building inspector for the city.

Miss Reba Richardson of 1856 S. Brand boulevard has returned to Glendale after several months' absence in Minneapolis.

Mrs. Harry H. Parker of 711 N. Kenwood has returned from a two-weeks' stay in San Diego and spent the week-end in her mountain cabin.

Mrs. Frank Wallace of Macon, Mo., who left here to live in Los Angeles not long ago, reports that she is returning to Glendale as she prefers it to the larger city.

Mrs. L. H. Van Hoorebeke of 1121 Viola avenue, Mrs. Frances Dolan of Pasadena and Miss Catherine Liggett, niece of Dr. Margaret Banta, of Los Angeles, were operated on recently at the Glendale Sanitarium and Hospital.

Mrs. Tom Lawrence, recently returned from Colorado, suffering from rheumatism, is very much improved. Mr. and Mrs. Lawrence expect soon to move to their beautiful new home near the foothills as it is now almost completed.

Mrs. William and Mrs. Stella Miller from Canton, Ohio, who have been spending the winter at 114 W. Broadway, have just returned from Catalina where they enjoyed several days. They expect to leave for Ohio in about a week.

Geo. M. Anderson, Glendale's violin-maker, reports business extra good for the last month or two, and is so well pleased he has declined the idea of moving to Los Angeles, which will be good news to musical people here.

Charles Shull, an old-time friend of Rev. C. A. Cole and formerly a member of his congregation in St. Louis, was out to see him last night and attend the revival meeting at Central Christian Church. Mr. Shull now lives in Chicago and is connected with a religious publishing house.

Mrs. Lois May Kraft and family have moved into the house recently purchased of H. C. Tomaw and wife, at 506 West Elk avenue. The latter expect to start Thursday back to the old home near Casey, Clark Co., Illinois, to stay about a year, when they expect to return to Glendale to live.

Mrs. A. H. Hanson and son, Alden, left Saturday for their home in Saskatoon, Canada. After settling up their affairs there, they will return to Glendale where they have found so many friends. Alden, who was injured in an automobile accident a couple of months ago, has fully recovered.

Linn Perrin, formerly salesman for the Southern California Gas Co. here, recently resigned his position to take an agency for the Willis-Knight Electric Lighting Systems. Charles A. Nagle, formerly cashier of the company in Glendale, has been promoted to the position of outside salesman and Jesse Dutton has been advanced to the cashiership.

W. H. Mitchell and wife of Salem, N. J., arrived in Glendale last week and are looking around our city with the intention of purchasing a home here. Mr. Mitchell is a retired business man and with Mrs. Mitchell came to Southern California expecting to locate in the City of Hollywood, but after looking around there for a time visited Glendale and have decided it is a desirable place to live.

H. P. Curtney, L. B. Nunn, Dr. Roy Hogue and William R. Phelon motored to the Sespe for a week-end fishing trip. They did not have any very extravagant expectation of bringing home long strings of trout but knew they would enjoy the ride and have the fun of the fishing whether they caught anything or not. As a matter of fact they caught their limits.

Mr. and Mrs. W. R. Alexander of 1214 South Maryland avenue had the pleasure of entertaining as Sunday guests, Mr. and Mrs. Samuel Lynn and Miss Florence Lynn of Earlville, Ill., who have been spending the winter in Southern California and who expect to leave for Illinois the latter part of the month. Earlville is Mr. Alexander's native city and he and Mr. Lynn are well tried and close friends.

Attorney and Mrs. J. D. La Motte and little daughter, Louise, of San Diego are spending a few days this week at the home of the former's sister and brother-in-law, Mr. and Mrs. Walter H. Jones, 310 West Hawthorne. The young attorney and family made the trip overland via the Coast route, and will return via the Inland route, stopping in Riverside and Corona on the return trip to spend a few days with friends.

Mr. and Mrs. E. H. Parker of 426 North Maryland avenue have been residents of Glendale for only a few months but are enthusiastic about the many attractions of the town. They have lived long enough in Southern California to be pretty well acquainted with it and spent some time in Hollywood but declare that it has become too much like the rest of Los Angeles and the quietness and beauty of Glendale appealed to them.

Ain't It a Grand Glorious Feeling

To know that when you have an auto accident you are covered so that you can go to your garage and say "fix it up," the "Union Indemnity" will PAY.

WE PAY

Did you read of how Miss Ethel Parsons of the Bank of Glendale met with an accident ONE DAY after she had her policy? Result, about $100.00 damage. She phoned the District Manager at 10 a. m. and was notified at 12:30 p. m. the same day that the Ford Agency had been notified to repair the damage to the satisfaction of Miss Parsons. WE PAY.

AGAIN

F. S. Mulford, 640 Harvard, car standing at curb, rainy weather, another car skids, strikes Mr. Mulford's car.

Result — Smashed wheel, bent axle, and flange. Towed to garage. WE PAY for towing, new axle, new wheel, time and labor. He had never thought much of insurance.

SANTA BARBARA OUTING

Dr. and Mrs. H. Russell Boyer, Mrs. Douglas Newell and Mr. and Mrs. H. P. Goodwin motored to Santa Barbara Sunday where they had luncheon at the Arlington, followed by a drive around the Montecito district, viewing the fine estates and then took in the horse show on the grounds of Hotel Ambassador. It was a fine setting for the event and the entries included some very beautiful and celebrated animals such as Billing's $100,000 trotter. There were hurdle and jumping contests and other competitions of interest to equestrians and the show was largely patronized by beauty and fashion.

LOS ANGELES LADY HURT IN AUTO ACCIDENT

Mrs. H. L. Nettler of 1006 Echo Park avenue, Los Angeles, was taken to the Glendale Sanitarium Hospital Sunday evening suffering from many cuts and bruises received in an auto accident, none of which proved to be serious, however. She and her husband were driving south on Verdugo when their machine collided with that of R. F. Bernays, 907 Washington boulevard, Los Angeles. Both machines were badly smashed up and Mrs. Nettler was thrown through the windshield out into the road.

YOUNG GIRL HURT IN AUTO ACCIDENT

J. B. Faget of Los Angeles, was driving east on Los Feliz Road yesterday about 8 p. m., with his wife and son in his machine, when he collided with the machine of R. H. Both autos were considerably damaged.

DEATH OF FRED FREITAG

Fred Freitag, who formerly lived at 1227 East Broadway, died at his home in Los Angeles, 1539 East Sixteenth street, Saturday, midnight, from the after effects of influenza. 74TH BIRTHDAY

Mrs. Mary Paine of North Jackson street, mother of Dr. Paine-Jackman, was the all-day guest of her nephew in Los Angeles Saturday, where relatives assembled to celebrate her 74th birthday. She received many flowers and messages from old friends and had an altogether delightful outing. She has been an invalid for a number of years but is finding the Glendale climate favorable to her health and has been steadily improving, her daughter reports. Her nieces, Misses Mildred and Margaret O'Keefe and Miss McGrudy, of Monrovia, were week-end guests in the Jackman home.

MILFORD STREET CARD CLUB

The Milford Street Card Club was entertained last week by Mrs. Vinton at her home on 29th street, Los Angeles. The luncheon was served first at a table beautifully decorated with daffodils and other accessories in harmony with her yellow color scheme. Mrs. Heustis had high score in the play which followed the luncheon. Ladies present were: Mesdames Rathbun, Southard, McPherson, White, Thompson, Hosford, Brummel, Fletcher, Heustis, Young, Leppelman and Vinton.

HAPPY BIRTHDAY PARTY FOR WALTER CASH

Walter Cash of 205 West Lomita avenue was eight years old yesterday and to celebrate the event his mother gave him a party the day before, taking him and nine of his little friends to the Palace Grand for the matinee performance and afterward treating them all to ice cream. Those attending as guests were Doris and Barbara Stamps, Eleanor and Virginia Russell, Crosby, Adelaide and Emily Gillan, Edward Daniels and Bobbie Olin.

Stops Medicine—Health Recovered by Internal Baths

Mr. A. Czarnecki, 657 Montgomery St., San Francisco, Cal., writes Tyrrell's Hygienic Institute of New York as follows:

"I must admit that the use of the 'J. B. L. Cascade' has cured chronic constipation from which I suffered. Since May 12, 1913, I have never even tasted any kind of patent medicine or purgative. My health is excellent in every respect."

Over half a million bright, keen, intelligent Americans have found that Internal Bathing is more essential to their health than external baths—

Have found that used occasionally at night they feel like different people the next morning. No more of that bilious, tired, nervous feeling, but having by nature's own cleanser—antiseptic warm water—removed all the poisonous waste from the lower intestine, they awake thoroughly refreshed by normal sleep, with all their functions acting properly, clear headed, happy and confident, eager and capable for the duties of the day.

Why not learn more about this rapidly growing and natural practice? The "J. B. L. Cascade" is the invention of Chas. A. Tyrrell, M. D., of New York, a specialist on internal baths for 25 years, and is now being shown and explained by Roberts & Echols in Glendale, who will give you—free on request—an interesting booklet on the subject called "Why Man of To-day Is Only 50% Efficient."

ADVENTIST CHURCH

(Continued from Page 1)

throughout the entire year when one sinned, the priest made atonement for him as seen in Leviticus 4.

"During the entire history of mankind, the penitent sinner has been able to claim by faith the atonement of Christ even before the actual sacrifice was made on Calvary. The efficacy of the merits of a Saviour promised is just as real as the merits of a Saviour sacrificed. This is illustrated by the relative values of a bank check and the actual coin in hand.

"There will come a time when the final atonement for the world will be completed, and all who are then not reconciled to God through the merits of Christ, or 'at-one-ment' with Him, will be forever cut off from God's people. The words atonement and reconciliation both come from the same Greek word, being synonyms.

"Some have erroneously concluded that because Seventh-day Adventists believe the law of God is unchangeable and still binding upon all, they also believe justification comes by obedience thereto. This is a mistake on the part of well meaning critics. Romans 3:20 plainly states that 'by the deeds of the law there shall no flesh be justified in His sight. For by the law is the knowledge of sin.' It is taken for granted that all are cognizant of the fact that the ceremonial law which prefigured Christ's coming met its fulfillment when he came and thus became of force no longer by the law of limitation. The law of ten commandments upon which all earthly governments are founded as well as God's universe, having no time limit, naturally endures.

"The prodigal son wandered far from his father's house and country, thinking to find happiness in freedom from parental restraint and rules. But a life of sin and shame brought only a realization of guilt and in penitance the prodigal returned to the forgiveness of a father whose law against sin he had broken. His subsequent well-ordered, law-abiding life was not to demonstrate to his father how righteous he could be when he tried but was conclusive proof of his appreciation of forgiveness and love.

"So it is with one who truly loves God from a realizing sense of the great sacrifice Christ made to atone for his sins. He keeps the Father's commandments as nearly perfect as possible, not because he can thereby save himself, but because his greatest desire is to please God in obeying His wishes. Christ's perfect life covers the penitent's mistakes and the Father's love sees perfection through Christ.

"One who attempts to serve God through any motive except love and gratitude is making a miserable failure of it. The only remedy is to become so well acquainted with the character of God and Christ that love will spring up in the heart, impelling obedience.

"None will ever be forced to obey God's law, for that would not be acceptable to a loving Father. But if all that infinite love has done and will continue to do, will not melt the strong heart of man into willing, glad obedience then all the righteousness of Christ and His freely offered sacrifice has been in vain. For He died to reconcile man to God, not God to man.

"All who finally become citizens of Heaven will find there perfect love. Love is the fulfilling of the law—and the greatest proof of love is obedience.

"God and Christ are one in mind and character and he who accepts the perfect life of Christ in place of his sinful, erring life will fall in love with the beautiful character of Jesus. By beholding he becomes changed into the same image.

"A daily realization of the atoning power of the Saviour will bring happiness and joy to the individual—not condemnation and fear."

THE STRIKE OF SWITCHMEN

To the Public:

Strikers who have not returned to work are being replaced by new men. This work will be swiftly and vigorously followed until normal service is restored.

The strike was without notice to the railroad. It is not authorized by any railroad brotherhood. It violates working agreements, violates the rules of the brotherhoods to which the men belong, and violates the law of the United States (Section 301, Transportation Act of 1920.)

It is in defiance of the orders of the Railroad Brotherhoods executives, and has neither the sympathy nor support of the overwhelming majority of railroad employes.

New men will be given seniority rights in order of employment.

Wages are sixty-four cents an hour for 8 hours work a day, and ninety-six cents an hour for overtime. Good board and lodging are arranged for at the job. Protection assured. Apply to superintendent or other official at nearest address listed below: Assistant General Manager, Pacific Electric Building Los Angeles; Superintendent, Third Floor, North Wing, Southern Pacific Station, Los Angeles.

Superintendent, Southern Pacific Office, Bakersfield.

STRIKE STRANDS TWO CARS OF LAMBS AT GLENDALE STATION

An incident of the unauthorized strike of switchmen in the yards of the three railroad companies operating in and out of Los Angeles, was the side-tracking of two cars of lambs intended for Saturday sales, in the freight yard at the Glendale station of the S. P. The strike was practically ended yesterday and so the cars were sent on to their desti-

DID THEIR OWN RAISING

I am much interested in my garden and therefore was considerably annoyed when I saw a coop of chickens being carried into my next door neighbor's back yard. But as the days passed and no chickens showed up, I interviewed the neighbor's little boy in this way: "Buddy, I hear you folks have started to raise chickons on your place."

"They raised themselves," he answered. "They flew over the fence an' got away."—Chicago Tribune.

THE MOST VALUABLE

So, day by day, and week by week; so, month after month, and year after year, work on; and in that process gain strength and symmetry, and nerve and knowledge, that when success, patiently and bravely worked for, shall come, it may find you prepared to receive it and keep it. The development which you will get in this brave and patient labor, will prove itself, in the end, the most valuable of your successes.—J. G. Holland.

MYSTICAL THIRTEEN

In the Indian Pantheon there are 13 Buddhas; the apex of an Indian or Chinese pagoda is crowned with 13 mystical disks. The sacred sword, preserved in the Temple of Atsusa, in Japan, has 13 objects of mystery forming its hilt. When playing whist and many other games of cards each player has 13 cards and the pack is made up of four suits of 13 each.

The trees that go down first in the storms are those that have sent no deep roots into the earth. They found sufficient moisture to satisfy them too near the surface, and they had no deep undergrowth to hold them when fierce winds came. There are lives that grow in the same way. They have a shallow faith that contents them while the skies are clear, but nothing to steady and help them when tempests of sorrow or temptation come.
